## LEGISLATIVE ASSEMBLY

## PRIVATE BILLS

## Excerpts From Standing Orders Relating to Private Bills

97. No petition for any Private Bill shall be received by the House after the first 10 days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no motion for the suspension or modification of this Standing Order shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with the consideration of Private Bills, who shall report thereon to the House. And if this rule shall be suspended or modified as aforesaid, the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the petition has been received after the time hereinbefore limited, shall in either case pay double the fees required in respect of such Bill by this rule, unless the House shall order to the contrary.

98. (1) Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session.

- (a) a printed copy of such Bill;
- (b) a copy of the petition to be presented to the House;
- (c) copies of the notices published, with publication proved by a statutory declaration or affidavit to the satisfaction of the Clerk of the House.

(2) At the time of depositing the Bill and petition the applicant shall also pay to the Clerk of the House the sum of \$300.

(3) If a copy of the Bill, petition, and notices proved as aforesaid shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session or if the petition has not been presented to the House within the first 10 days of the Session, the amount to be paid to the Clerk shall be \$600. If the Bill shall not pass second reading, one-half of the fees shall be returned.

100. (1) All applications to the Legislative Assembly for Private Bills of any nature whatsoever shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant.

(2) Such notice shall be published in *The British Columbia Gazette* and once a week in one leading daily newspaper freely circulating in all parts of the Province. The notice in such newspaper to appear on Wednesday of each week.

(3) When the proposed Bill is of such a nature that it may particularly affect one or more electoral districts, the notice shall furthermore be published once a week if possible in some newspaper in every electoral district affected, or if there be no newspaper published therein, then in a newspaper published in the electoral district nearest thereto.

(4) The publication of such notice shall in all cases be continued for a period of four weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

101. Every petition signed by an agent or attorney in fact shall be accompanied by the authority of such agent or attorney in fact, and the petition shall not be deemed to be filed with the Clerk until this is done.

102. Before any petition praying for leave to bring in a Private Bill for the erection of a toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Standing Order 100, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts or vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

103. (1) All Private Bills for Acts of incorporation shall be so framed as to incorporate by reference to the causes of the general Acts relating to the details to be provided for by such Bills: Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the general Act is proposed to be departed from. Bills which are not framed in accordance with this Standing Order shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

(2) Every Bill for an Act of incorporation, where a form of model Bill has been adopted, shall be drawn in accordance with the model Bill (copies of model Bills may be obtained from the Clerk of the House). Any provisions contained in any such Bill which are not in accord with the model Bill shall be inserted between brackets or underlined, and shall be so printed.

(3) Any exceptional provisions that it may be proposed to insert in any Bill shall be clearly specified in the notice of application for same.

107. All Private Bills shall be prepared by the parties applying for the same, and printed in small-pica type, 26 ems by 50 ems, on good paper, in imperial octavo form, each page when folded measuring 10¾ inches by 7½ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters.

In the case of Bills to incorporate companies, in addition to the fee of \$300 mentioned in Rule 98, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

All cheques in payment of fees must be certified.

ELIZABETH the SECOND, by the Grace of God, of the United Kingdom, Canada and Her Other Realms and Territories, Queen, Head of the Commonwealth, Defender of the Faith

*To all to whom these presents shall come—*  
Greeting

J. A. Nielsen  
Minister of the Environment

WHEREAS by section 53 of the *Water Act* it is provided that the Lieutenant-Governor in Council may incorporate a tract of land and the owners thereof into an improvement district:

And whereas the Lieutenant-Governor in Council has, by Order in Council made pursuant to the said Act, been pleased to order that the tract of land hereinafter described and the owners thereof be incorporated into an improvement district under the said Act, and has made further provision to the tenor and effect hereinafter appearing:

Now know ye that by these presents We do hereby order and proclaim:

1. The tract of land within the Kootenay Land District and Nelson Land Registration District, more particularly described as Block 1; Lots 1 to 10, inclusive, Block 2; Lots 1 to 10, inclusive, Block 3; Lots 1 to 8, inclusive, Block 4; Lots 1, 2, 3, 4, 19, 20, 21, and 22, Block 5; Lots 1 to 20, inclusive, Block 6; Lots 1 to 35, inclusive, Block 7; Lots 1, 2, 3, and 4, Block 9; Lots 25 to 29, inclusive, Block 10; all of Lot 2420, Plan 667; together with adjacent road allowances and all subdivisions thereof and all owners of land therein are incorporated into an improvement district under the *Water Act* and subject to the provisions thereof and to the conditions hereinafter contained.

2. The improvement district shall be known as "Brandon Waterworks District."

3. The objects of the improvement district shall be the acquisition, maintenance, and operation of works for waterworks purpose and all matters incidental thereto.

4. There shall be three Trustees of the improvement district.

5. The persons qualified to vote at the first election of Trustees shall be Canadian citizens who are 19 years of age or older and are entitled to be registered as voters under the *Provincial Elections Act* and are owners of land in the tract of land hereinbefore described, and the persons qualified to be candidates at the election shall be the persons qualified as aforesaid to vote, and their wives and husbands.

6. David Barclay, Box 126, Slocan, B.C., shall be Returning Officer for the first election of Trustees. He shall call a general meeting of the persons who are qualified as aforesaid to vote and shall, at least 14 days before the date of the meeting, send to each of the said persons by ordinary first class mail a notice signed by him giving the date, time, and place of holding the meeting. The Returning Officer shall be chairman of the meeting, and, subject to the provisions of clause 5, shall have power to determine whether or not any person who desires to vote is qualified to do so. He shall have power to determine the procedure to be followed at the meeting and the method of taking the votes. Each qualified voter shall be entitled to cast one vote for each of three candidates. The Returning Officer shall declare the result of the election and shall notify the Comptroller of Water Rights of the said result.

7. The candidate elected as Trustee for whom the greatest number of votes is cast at the general meeting called pursuant to clause 6 hereof shall hold office until the annual general meeting of 1981, the candidate elected for whom the second greatest number of votes is cast shall hold office until the annual general meeting of 1980, and the candidate elected for whom the third greatest number of votes is cast shall hold office until the annual general meeting of 1979, but should there be nominated no more than three candidates for office of Trustee, or should any two or more candidates receive an equal number of votes, then the Returning Officer shall have power to and shall declare which of the candidates are elected and which shall hold office until the next, the second, and the third succeeding annual general meetings respectively.

8. All subsequent elections of Trustees shall be held at the annual general meetings of the improvement district, and it shall be the duty of the Trustees to call a general meeting to be held between January 1 and May 1 in each year (except 1978) for the following purposes:

- (a) To receive from the Trustees a report on the condition of the works and a statement of the financial condition of the improvement district;
- (b) To discuss with the Trustees any matter relating to the works or finances of the improvement district;
- (c) To fix the remuneration of the Trustees for the ensuing year;
- (d) To elect a Trustee to succeed the one whose term of office expires coincident with the holding of such annual general meeting, and to elect a Trustee or Trustees to fill any other vacancy or vacancies that has or have occurred or is or are about to occur among the Trustees;
- (e) To choose the auditor for the ensuing year.

A special general meeting may be called by the Trustees at any time for the

purpose of electing a Trustee or Trustees to fill any vacancy or vacancies among the Trustees, or for the purpose of discussing with the owners any matter or matters which in the opinion of the Trustees should be brought up at a general meeting.

At least 14 days' notice of every general meeting shall be given by a notice sent by ordinary first class mail setting out the date, time, and place of holding the meeting.

The secretary shall enter in a book provided by the Trustees for this purpose minutes of all matters brought before the meeting and the action taken thereon. At any general meeting every person shall be qualified to vote who is a Canadian citizen and is 19 years old or older and is an owner of land in the improvement district, or the authorized agent of any board or corporation that is an owner of such land, or legal representative of any owner of such land who has died, become insolvent, or insane, and is entitled to be registered as a voter under the *Provincial Elections Act*. Every person qualified as aforesaid to vote and the wife or husband of any such person shall be qualified to be a candidate for Trustee of the improvement district. In the event of the right of any person to vote at any general meeting being challenged, the chairman shall have authority to determine whether or not such person is entitled to vote, and the chairman may require such person to make and file with him a statutory declaration showing that the declarant is qualified as aforesaid to vote at such general meeting. Forthwith after the holding of a general meeting the Trustees shall file with the Comptroller of Water Rights a true copy of the minutes of such meeting and copies of all auditor's reports and financial statements presented or discussed at the meeting.

9. All words and phrases given special meaning in section 2 of the *Water Act* shall, where used herein, be ascribed the meaning given them in the said section, unless the context otherwise requires.

In testimony whereof, We have caused these Our Letters to be made Patent and the Great Seal of Our said Province to be hereunto affixed.

Witness, Colonel the Honourable Walter S. Owen, Q.C., LL.D., Lieutenant-Governor of Our said Province, in Our City of Victoria, this sixteenth day of March in the year of our Lord one thousand nine hundred and seventy-eight, and the 27th year of Our Reign.

#### APPLICATION FOR PERMIT UNDER POLLUTION CONTROL ACT (Emissions)

THIS APPLICATION is to be filed with the Director, Pollution Control Branch, Parliament Buildings, Victoria, B.C. Any person who qualifies as an objector under section 13 (3) of the *Pollution Control Act* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or, where service is required, within 30 days of the serving of a copy of the application, file with the Director an objection in writing to the granting of a permit, stating the manner in which he is affected. Those who do not so qualify may file with the Pollution Control Board an objection in writing under section 13 (6), in the same manner and time period as described above.

Cardinal Concrete Ltd., of 37979 Cleveland Avenue (Box 1850), Squamish, B.C., hereby applies to the Director for a permit to discharge or emit contaminant(s) into the air from a cement silo bag filter located at Valleu's pit, Pemberton, and gives notice of application to all persons affected.

The land upon which the works are located is that portion of unsurveyed Crown land adjacent to District Lot 1940, Group 1, NWD, Green River at Wedge Creek.

The discharge or emission shall be located at a point 1,300 feet south of BCR Green River crossing at approximately Mile 81 of BCR.

The rate of discharge is (dry basis):  
(a) Maximum, 500 SCFM; duration, one

hour; frequency, once weekly. (b) Average daily (based on normal daily operating period), 500 SCFM.

The operating period during which contaminant(s) will be discharged is one hour, once weekly.

The characteristics of the contaminant(s) to be discharged are cement dust, 0.10 gr/SCF (5.5 mg/mol).

The type of treatment to be applied to the contaminant(s) is Quadra control dust bag.

I, I. R. Knowles, Administrator, hereby certify that a copy of this application has been received by the Squamish-Lillooet Regional District.

This application, dated on January 28, 1978, was posted on the ground in accordance with the Pollution Control Regulations.

#### APPLICATION FOR PERMIT UNDER POLLUTION CONTROL ACT (Effluent)

THIS APPLICATION is to be filed with the Director, Pollution Control Branch, Parliament Buildings, Victoria, B.C. Any person who qualifies as an objector under section 13 (2) of the *Pollution Control Act* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or, where service is required, within 30 days of the serving of a copy of the application, file with the Director an objection in writing to the granting of a permit, stating the manner in which he is affected. Those who do not so qualify may file with the Pollution Control Board an objection in writing under section 13 (6), in the same manner and time period as described above.

I, Joseph G. Hawes, of Ainsworth Hot Springs, B.C., hereby apply to the Director for a permit to discharge effluent from a lead-zinc flotation mill located 2 miles north of Ainsworth into a tailings-pond, and give notice of application to all persons affected.

The land upon which the works are located is Crown grant Mineral Claim "Fergus" for mill, and adjoining land for tailings-pond (James R Fraction 7832).

The discharge shall be located at Fergus claim, Lot 977, James R Fraction 7832, Sloean Mining Division.

The quantity of effluent to be discharged is as follows: Average annual daily discharge (based on operating period), 36,000 imperial gallons. Maximum daily discharge, 36,000 imperial gallons.

The operating period during which the effluent will be discharged is 24 hours a day, six days a week.

The characteristics of the effluent discharged shall be equivalent to or better than typical tailings from lead-zinc milling operation.

The type of treatment to be applied to the effluent before discharge is containment of tails in a tailings-pond, with recycle of decanted tails back to mill.

I, R. Henderson, Secretary, hereby certify that a copy of this application has been received by the Regional District of Central Kootenay.

This application, dated on February 23, 1978, was posted on the ground in accordance with the Pollution Control Regulations.

APPLICATION FOR AMENDMENT  
OF POLLUTION CONTROL PERMIT PR-1563

THIS APPLICATION is to be filed with the Director, Pollution Control Branch, Parliament Buildings, Victoria, B.C. Any person who qualifies as an objector under section 13 (2) or (3) of the *Pollution Control Act*, may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or, where service is required, within 30 days of the serving of a copy of the application, file with the Director an objection in writing to the granting of a permit, stating the manner in which he is affected. Those who do not so qualify may file with the Pollution Control Board an objection in writing under section 13 (6), in the same manner and time period as described above.

The City of Chilliwack, of 44 Spadina Avenue, Chilliwack, B.C., hereby applies for an amendment, as described below, to Pollution Control Permit PR-1563, granted on April 25, 1973, and amended on April 2, 1975, to authorize the discharge of 40 cubic yards per day of refuse from municipal and other sources located at Chilliwack to the ground at Kwaw-Kwaw-a-pilt Indian Reserve 6 (Wolfe Road).

To amend Appendix 01 by deleting those words of item (h) which read "This permit is valid until December 31, 1977," and substituting therefor the words "This permit is valid until December 31, 1982."

The purpose of the foregoing amendment is to provide necessary time for an

alternate site to be developed in co-operation with the Regional District of Fraser-Cheam.

I, James D. Orr, Secretary-Treasurer, hereby certify that a copy of this application has been received by the Regional District of Fraser-Cheam.

This application, dated on March 9, 1978, was posted on the ground in accordance with the Pollution Control Regulations.

## APPLICATION FOR PERMIT UNDER POLLUTION CONTROL ACT (Emissions)

*Preamble*—Chevron Canada Limited propose to relocate their storage tanks in Prince George, B.C., to a new site in the B.C. Railway Industrial Park, and have applied for a permit for the discharge of emissions. The discharge represents the normal breathing of tanks.

THIS APPLICATION is to be filed with the Director, Pollution Control Branch, Parliament Buildings, Victoria, B.C. Any person who qualifies as an objector under section 13 (3) of the *Pollution Control Act* may, within 30 days of the date of application, or within 30 days of the date of publication

in *The British Columbia Gazette* or in a newspaper, or, where service is required, within 30 days of the serving of a copy of the application, file with the Director an objection in writing to the granting of a permit, stating the manner in which he is affected. Those who do not so qualify may file with the Pollution Control Board an objection in writing under section 13 (6), in the same manner and time period as described above.

Chevron Canada Limited, of Box 11506, 2800 Vancouver Centre, 650 West Georgia Street, Vancouver, B.C. V6B 4R7, hereby applies to the Director for a permit to discharge or emit contaminant(s) into the air from a bulk petroleum storage plant located at Prince George, and gives notice of application to all persons affected.

The land upon which the works are located is Lots 13 and 14. District Lot 745.

The discharge or emission shall be located at B.C. Railway Industrial Park.

The rate of discharge is (dry basis):  
(a) Maximum. 19.4 SCFM; duration, 60 minutes a day; frequency, intermittently.  
(b) Average daily (based on normal daily operating period), 0.0185 SCFM.

The operating period during which contaminant(s) will be discharged is some continuous, some during working-hours.

The characteristics of the contaminant(s) to be discharged are atmospheric discharge of gasoline vapour from seven 16,000-gallon tanks consisting of an intermediate (varied) mixture of air and hydrocarbons. Hydrocarbons consist mostly of butane (44 per cent), pentane (39 per cent), and hexane (17 per cent).

The type of treatment to be applied to the contaminant(s) is vacuum and pressure-relief valve on tank vent, 3½-ounce opening pressure.

I, W. D. Kennedy, Administrator, hereby certify that a copy of this application has been received by the Regional District of Fraser-Fort George.

This application, dated March 17, 1978, was posted on the ground in accordance with the Pollution Control Regulations.

### APPLICATION FOR PERMIT UNDER POLLUTION CONTROL ACT (Effluent)

*Preamble*—BP Exploration Canada proposes to build a coal-preparation plant near the Village of Chetwynd. The purpose of this application is to permit BP Exploration Canada to discharge effluent from the coal-preparation plant to a tailings pond located on the site. The discharge from the preparation plant shall be restricted wholly to the tailings pond, which will have zero discharge. All water and supernatant will be recycled to the plant.

THIS APPLICATION is to be filed with the Director, Pollution Control

Branch, Parliament Buildings, Victoria, B.C. Any person who qualifies as an objector under section 13 (2) of the *Pollution Control Act* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or, where service is required, within 30 days of the serving of a copy of the application, file with the Director an objection in writing to the granting of a permit, stating the manner in which he is affected. Those who do not so qualify may file with the Pollution Control Board an objection in writing under section 13 (6), in the same manner and time period as described above.

BP Exploration Canada, of 405, 1199 West Pender Street, Vancouver, B.C. V6E 2R1, hereby applies to the Director for a permit to discharge effluent from a temporary coal-preparation plant located near the Village of Chetwynd into a tailings pond on the land upon which the works are located, with total recycle of supernatant back to operations, and gives notice of application to all persons affected.

The land upon which the works are located is the southern portion of District Lot 1808, within the Peace River-Liard Regional District, bounded on the south by Lot 717, on the west by Lots 3064 and 2142, on the east by Lot 2203, and on the north by the B.C. Railway right-of-way.

The discharge from the preparation plant shall be restricted wholly to the tailings pond located within the southern portion of District Lot 1808.

The quantity of effluent to be discharged is as follows: Average annual daily discharge (based on operating period), 1 000 000 litres/day. Maximum daily discharge (adverse conditions), 1 600 000 litres/day.

The operating period during which the effluent will be discharged is 235 operating-days a year (24 hours a day, five days a regular week).

The characteristics of the effluent discharged is not listed for this operation because of total recycle of supernatant to tailings pond. No effluents will be discharged.

The type of treatment to be applied to the effluent before discharge is as follows: The tailings pond will have zero discharge; supernatant will be contained by clay liner; surface run-off will be contained by a ditch surrounding the plant-site and directed to a settling-pond. The surface water will be pumped from the settling-pond to the tailings pond.

This application, dated on March 9, 1978, was posted on the ground in accordance with the Pollution Control Regulations.

### APPLICATION FOR PERMIT UNDER POLLUTION CONTROL ACT (Refuse)

*Preamble*—BP Exploration Canada proposes to build a coal-preparation plant near the Village of Chetwynd. The purpose of this application is to permit BP Exploration Canada to discharge refuse rock on site. It is anticipated that some refuse rock will be used as dyke material, the rest will be air-dried and compacted.

THIS APPLICATION is to be filed with the Director, Pollution Control Branch, Parliament Buildings, Victoria, B.C. Any person who qualifies as an

objector under section 13 (2) of the *Pollution Control Act* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or, where service is required, within 30 days of the serving of a copy of the application, file with the Director an objection in writing to the granting of a permit, stating the manner in which he is affected. Those who do not so qualify may file with the Pollution Control Board an objection in writing under section 13 (6), in the same manner and time period as described above.

BP Exploration Canada, of 405, 1199 West Pender Street, Vancouver, B.C. V6E 2R1, hereby applies to the Director for a permit to discharge refuse from a temporary coal-preparation plant located near the Village of Chetwynd, and gives notice of application to all persons affected.

### APPLICATION FOR PERMIT UNDER POLLUTION CONTROL ACT (Emissions)

*Preamble*—BP Exploration Canada proposes to build a coal-preparation plant near the Village of Chetwynd. The purpose of this application is to permit BP Exploration Canada to discharge within legal limits particulate matter and water vapour in the air. The proposed plant is capable of meeting the ambient air control objectives as stated in the Pollution Control Objectives for Mining, Mine-milling, and Smelting Industries of British Columbia. The plant has been designed to use the most up-to-date technology to ensure that the process is clean and efficient.

THIS APPLICATION is to be filed with the Director, Pollution Control Branch, Parliament Buildings, Victoria, B.C. Any person who qualifies as an objector under section 13 (3) of the

*Pollution Control Act* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or, where service is required, within 30 days of the serving of a copy of the application, file with the Director an objection in writing to the granting of a permit, stating the manner in which he is affected. Those who do not so qualify may file with the Pollution Control Board an objection in writing under section 13 (6), in the same manner and time period as described above.

BP Exploration Canada, of 405, 1199 West Pender Street, Vancouver, B.C. V6E 2R1, hereby applies to the Director for a permit to discharge or emit contaminant(s) into the air from a temporary coal-preparation plant located near the Village of Chetwynd, and gives notice of application to all persons affected.

The land upon which the works are located is the southern portion of District Lot 1808, within the Peace River-Liard Regional District, bounded on the south by Lot 717, on the west by Lots 3064 and 2142, on the east by Lot 2203, and on the north by the B.C. Railway right-of-way.

The discharge or emission shall be located in the east central area of the southern portion of District Lot 1808 (approximately 150 metres south and 245 metres west of the northeast corner of the southern portion of District Lot 1808).

The rate of discharge is (dry basis):  
(a) Maximum, 850 gm-mol/s; duration, 24 hours a day; frequency, continuous.  
(b) Average daily (based on normal daily operating period), 850 gm-mol a second.

The operating period during which contaminants will be discharged is 235 operating-days a year (24 hours a day, five days a regular week).

The characteristics of the contaminant(s) to be discharged are total particulates, 229 mg/m<sup>3</sup>; water vapour, 7.53 tonnes/hr.

The type of treatment to be applied to the contaminant(s) is cyclones, followed by Venturi wet scrubber; the scrubber will recirculate the water.

This application, dated on March 9, 1978, was posted on the ground in accordance with the Pollution Control Regulations.
